A Standing Ovation for Yevgeny Klebanov, MD, Hospitalist

On February 12, SJO presented its first Bravo celebratory luncheon, with invitations to 425 caregivers, physicians or volunteers receiving a Bravo recognition from May - October 2025. A surprise part of the luncheon was the presentation of 12 Standing Ovation recognitions to individuals, which represented heartfelt stories of compassion, excellence or stand-out "above and beyond" moments.

Dr. Klebanov's Standing Ovation was selected from approximately 360 Bravo recognitions (30 of those were physicians) by the SJO Spirit & Recognition Squad, a committee consisting of caregivers from various departments and disciplines and focused on St. Joe's culture.

The Bravo program acknowledges the contributions our physicians, caregivers and volunteers make each day in our ministry. Recognitions can be submitted by patients, families, visitors and fellow caregivers. Our next Bravo celebration is scheduled for May/June, when the next round of Standing Ovation recipients will be announced.

Congratulations on your Standing Ovation recognition
Yevgeny Klebanov, MD, Hospitalist

Dr. Klebanov is known for his exceptional communication and high standard of excellence. His approach to care is always patient-centered, often going above and beyond for his patients so that they feel seen as people and not solely a diagnosis. A nurse leader witnessed a sacred encounter when Dr. Klebanov partnered with a physical therapist to ambulate a patient to ensure they were ready for discharge. His actions strengthen trust and teamwork across our ministry.
